PROTECT AND CARE

If you work in a care home, you face a different world to 12 months ago. Hygiene is now more important than ever. The more you can do to deliver it, the greater the opportunities to care for residents and staff. Here are some concepts to help you work safer and smarter.

SMART IDEAS TO BOOST WELLBEING

SEALABLE SACCHETTO COMES IN TWO SIZES WITH A PRE-INSERTED NAPKIN. CHOOSE EITHER A DUNISOFT® 40 X 40 CM OR A 2-PLY TISSUE 33 X 33 CM

NEW!
XL SIZE

1. SECURE SPOTLESS SURFACES

The tablecovers in our assortment let you elevate the hygiene – and mood – of any dining experience, in a moment. Always flawless colour and shape, they create a hygienic barrier between surfaces and absorb any spills. Even better, they are made from eco-conscious materials and provide freedom from laundry.

2. MAKE IT PERSONAL

Single serving sachets are confidence-inspiring for residents of care homes. They eliminate the potential hygiene risks that come with shared condiments. Easy to work with, they also avoid having to refill salt and pepper cellars and containers on tables.

3. SUPPLY CLEAN ENERGY

When residents and staff feel safe and comfortable, it energises the mood. That's where our skin-friendly and alcohol-free wipes come in. Ideal for faces, hands and surfaces, they provide a nice sanitary touch. Especially when slipped neatly into a Sacchetto pocket.

4. SEAL THE DEAL

New Sealable Sacchetto Tissue pockets keep napkins and cutlery protected until the moment the food arrives. You pop them inside the pocket and then peel and seal it shut. A convenient, elegant way to limit handling and win your residents' approval. We can customise them for you too.

5. SERVE WRAPS

New Sacchetto pockets with Wooden Cutlery put everyone around the table at ease to complete any meal experience. Hygienically wrapped, they contain a knife, fork and napkin, and also have space for a hygienic wipe. Even better, they greatly simplify setting up.

6. USE SAFE CODES

Profile printed QR codes and menus on placemats avoid the hygiene issues associated with shared menus – good news for staff. Our experienced customisation team is happy to organise the printing for you.

7. SEIZE THE PRE-FOLDED OPPORTUNITY

Pre-folded napkins limit handling to free-up time and elevate hygiene. They also look uniformly crisp and provide a sanitary barrier between cutlery and other surfaces.

OK COMPOST

The OK Compost Industrial and the OK Compost HOME label, from the certification body TÜV Austria, indicates that the product is suitable for composting. As the name suggests, OK Compost Industrial ensures the product is suitable for industrial composting and meets the European standard EN 13432. OK Compost HOME products can be put on the compost heap in your garden at home.

THE FOREST STEWARDSHIP COUNCIL® (FSC)

Ensures that the product is made of wood from forests managed in an environmentally appropriate, socially beneficial and economically viable manner.
