CartiereCarrara

ABOUT US

CARTIERE CARRARA, wholly owned by the Carrara family, is nowadays one of the main manufacturers and converters of tissue paper in Europe.

The integrated process allows Cartiere Carrara to produce, in-house, tissue paper mother reels and converted finished products for both the Professional and Consumer markets, serving more than 40 countries worldwide.

Cartiere Carrara, with an annual production output of 200 thousand tonnes of tissue paper, is currently the sixth leading manufacturer in Europe and the second in Italy, considering that its entire production is domestic.

Cartiere Carrara has the converting capability to process its tissue paper production volume into one of the largest ranges of finished products as toilet paper, hand towels, kitchen rolls, handkerchiefs and napkins.

Cartiere Carrara today counts 500 employees and 9 production sites, all located in Italy.

Cartiere**Carrara**

THE INDUSTRIAL STRUCTURE

THE ORGANISATION

During the last ten years the structural dimension of Cartiere Carrara has been characterized by a constant evolution, supported by the ownership's continuous investments aimed at strengthening its commercial, administrative and manufacturing organization.

The latter it now includes a total covered area of 160.000 sq mt. related to 9 currently active production sites.

THE COMPANY IS COMPOSED BY:

FERRANIA (Savona) plant

Mother reels production site.

PIETRABUONA (Pistoia) plant

Mother reels production site.

TASSIGNANO (Lucca) plant

Mother reels production site.

CAPANNORI (Lucca) plant

Soft tissues converting site.

CARRAIA (Lucca) plant

Professional and Consumer converting site.

PRATOVECCHIO (Arezzo) plant

Integrated napkins site.

THESE ARE **THE NUMBERS** THAT MAKE A DIFFERENCE

Over **500** Employees

7 Paper Machines

9 Establishments in Italy

Over **205.000** tons/year tissue product of production capacity

160.000 sq mt. of Production Space

40 latest generation Converting lines

Cartiere**Carrara**

**SUSTAINABILITY
IS NOT A WORD,
IT'S OUR LIFE**

CARTIERE CARRARA, OUR PHILOSOPHY FOR A SUSTAINABLE FUTURE

Cartiere Carrara, in addition to paying particular attention to the effectiveness and efficiency of its production processes, has always been focused on the sustainability of the social and ethical standards of its actions. This is made possible only thanks to the special vocation of Cartiere Carrara to respect the environment, as well as the communities in which it operates, such as employees, partners, collaborators, institutions, and all that Cartiere Carrara has relations with.

This vocation goes through a company policy, both socially and environmentally responsible, and is expressed through a series of certifications that the Company undertake to achieve: **ECOLABEL, NORDIC ECOLABEL, PEFC, FSC, ISO 14001.**

WE PURSUE OUR OBJECTIVES INCLUDING THROUGH RESPECT FOR THE ENVIRONMENT

Always the Company is committed to ensuring a sustainable future for the planet, certifying limited CO2 emissions, using the lowest possible consumption of water and minimizing energy consumption.

OPTIMIZED CONSUMPTION

Our dispensers SystemONE allow to reduce the consumption of up to 30% by dispensing one napkin at a time.

ENVIRONMENT

The combination of certified products, economic saving and reduced waste, contribute to help sustainable development of the environment.

GUARANTEED HYGIENE

Each dispenser SystemONE allows the controlled supply of a single napkin at a time. The special interleaved napkins guarantees absolute hygiene and practicality of the service.

SAVINGS IN COST AND TIME MANAGEMENT

The quick and easy changing with high autonomy, allows savings in cost and time management.
