THE COMPLETE SUTTER PROFESSIONAL OFFER

The Sutter Professional range is specially designed to meet all hygiene and maintenance requirements, and offers a line of specific, high-quality products. Certified and guaranteed.

Sutter Professional

Founded in Switzerland in 1858, Sutter is an Italian multinational company that manufactures and markets products for the cleaning, care and disinfecting of professional environments. Selected raw materials, special production techniques and quality controls at the plant ensure extremely high standards of quality and performance. Sutter Professional has subsidiaries in Europe and in South America (Argentina, Chile, Brazil) and operates in over 40 countries under sales agreements with local distributors.

Training Centre

Training more than 2000 people per year. A reference point for all customers, who are able to acquire skills through knowledge of professional methodologies which help enhance work quality while improving economic performance.

Technical Assistance Service

Sutter is proud to offer the services of a team of technicians who provide advice and technical assistance.
