EU ECOLABEL: IT/020/009

Universal concentrated detergent for the cleaning of all hard surfaces. Excellent also for scrubbing machine. Effective on persistent dirt. Also suitable for the cleaning of internal surfaces within boats, ships and other transports. It contains vegetal origin raw materials (e.g. surfactants) coming from the processing of corn, potatoes, sugar beet and coconut oil. Citrus scent, allergen-free (Reg. 648/2004). Phosphate and nickel-free (less than 0.01 ppm). Dermatologically tested product (human patch test - not tested on animals). The absence of CLP warning signs means that the product is safe both for the operator and the environment, provided it is used according to the usage instructions and to the other information on the label.

⑦ HOW TO USE

Dilute the product in a bucket for MANUAL cleaning or in a SCRUBBING MACHINE. Apply to the surface; leave to act and rub in case of stubborn dirt. Rinse in case of product residual.

📏 DILUTION

1% (100 ml in 10L). The suggested dilution allows to economize and reduces the environmental impact to the minimum. A small amount of product is enough compared to a diluted product.
